1. This Court has original jurisdiction over the action pursuant to 28 U.S.C. §§1331 and 1333 for Plaintiff’s claims arising under 42 U.S.C. §12181, *et seq.*, based upon Defendants’ failure to remove physical barriers to access and violations of Title III of the ADA (see also, 28 U.S.C. §§2201 and 2201).

In this instance, Plaintiff travelled to the Facility and Property as a customer, encountered the barriers to access at the Facility and Property detailed in this Complaint, engaged those barriers, suffered legal harm and legal injury, and will continue to suffer such harm and injury as a result of the illegal barriers to access and Defendants' ADA violations discussed below.

FACTUAL ALLEGATIONS AND CLAIM

8. On July 26, 1990, Congress enacted the Americans with Disabilities Act 42 U.S.C. §12101, *et seq.*

9. Congress found, among other things, that:

- (i) some 43,000,000 Americans have one or more physical or mental disabilities, and this number is increasing as the population as a whole is growing older;
- (ii) historically, society has tended to isolate and segregate individuals with disabilities, and, despite some improvements, such forms of discrimination against individuals with disabilities continue to be a serious and pervasive social problem;
- (iii) discrimination against individuals with disabilities persists in such critical areas as employment, housing public accommodations, education, transportation, communication, recreation, institutionalization, health services, voting, and access to public services;
- (iv) individuals with disabilities continually encounter various forms of discrimination, including outright intentional exclusion, the discriminatory effects of architectural, transportation, and communication barriers, overprotective rules and policies, failure to make modifications to existing facilities and practices, exclusionary qualification standards and criteria, segregation, and relegation to lesser service, programs, activities, benefits, jobs, or other opportunities; and
- (v) the continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which our free society is justifiably famous, and costs the United States billions of dollars in unnecessary expenses resulting from dependency and nonproductivity.

42 U.S.C. §12101(a)(1) - (3), (5) and (9).

10. Congress explicitly stated that the purpose of the ADA was to:

- (i) provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities;
- (ii) provide a clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities; and
- (iv) invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination faced day-to-day by people with disabilities.

42 U.S.C. §12101(b)(1)(2) and (4).

11. The congressional legislation provided places of public accommodation one and a half years from the enactment of the ADA to implement the requirements imposed by the ADA. The effective date of Title III of the ADA was January 26, 1992, or January 26, 1993 if defendant has 10 or fewer employees and gross receipts of \$500,000 or less. 42 U.S.C. § 12181; 28 C.F.R. §36.508(a)

12. The Facility is a public accommodation and service establishment. The Property is a public accommodation and service establishment.

13. Pursuant to the mandates of 42 U.S.C. §12134(a), on July 26, 1991, the Department of Justice, Office of Attorney General, promulgated federal regulations to implement the requirements of the ADA. 29 C.F.R. Part 36. Public accommodations were required to conform to these regulations by January 26, 1992 (or January 26, 1993 if defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. §1281, *et seq.*, and 28 C.F.R. §36.508(a).

14. The Facility must be, but is not, in compliance with the ADA and ADAAG. The Property must be, but is not, in compliance with the ADA and ADAAG.

15. Plaintiff has attempted to and has, to the extent possible, accessed the Facility and the Property in his capacity as a customer of the Facility and Property, but could not fully do so because of his disabilities due to the physical barriers to access, dangerous conditions and ADA violations that

exist at the Facility and Property that preclude and/or limit his access to the Facility and Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

16. Plaintiff intends to visit the Facility and Property again in the very near future as a customer in order to utilize all of the goods, services, facilities, privileges, advantages and/or accommodations commonly offered at the Facility and Property, but will be unable to fully do so because of his disability and the physical barriers to access, dangerous conditions and ADA violations that exist at the Facility and Property that preclude and/or limit his access to the Facility and Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

17. Defendants have discriminated against Plaintiff and others with disabilities, by denying access to, and full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of the Facility and Property, as prohibited by, and by failing to remove architectural barriers as required by 42 U.S.C. §12182(b)(2)(A)(iv), and will continue to discriminate against Plaintiff and others with disabilities unless and until Defendants are compelled to remove all physical barriers that exist at the Facility and Property, including those specifically set forth herein, and make the Facility and Property accessible to and usable by persons with disabilities, including Plaintiff.

18. Defendants have discriminated against Plaintiff by failing to comply with the above requirements. A specific, although not exclusive, list of unlawful physical barriers, dangerous conditions and ADA violations which Plaintiff experienced and/or observed and preclude and/or limit Plaintiff's ability (because of his disability) to access the Facility and Property and/or full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of the Facility and Property, include:

ACCESSIBLE ELEMENTS

- a. Accessible parking spaces are not properly located and/or distributed on the Property and/or Facility in violation of section 208.3 of the 2010 ADAAG regulations. This violation made it difficult for Plaintiff to locate an accessible parking space.
- b. The Property and/or Facility lacks an accessible route from accessible parking spaces, accessible passenger loading zones, public streets, sidewalks and/or public transportation stops to the accessible entrance of the Property and/or Facility in violation of section 206.2.1 of the 2010 ADAAG regulations. This violation made it difficult for Plaintiff to access the units of the Property and/or Facility.
- c. There is an excessive vertical rise along the accessible route or path in violation of section 303.2 of the 2010 ADAAG standards. This violation made it dangerous and difficult for Plaintiff to access public features of the Property and/or Facility.

19. All of the above violations are readily achievable to modify in order to bring the Facility and Property into compliance with the ADA.

20. The removal of the physical barriers and dangerous conditions present at the Facility and Property is readily achievable because the nature and cost of the modifications are relatively low and the Defendant has the financial resources to make the necessary modifications.

21. Upon information and belief, the Facility and Property have been altered since 2010.

22. In instances where the 2010 ADAAG standard does not apply, the 1991 ADAAG standard applies and all of the violations listed in paragraph 18 can be applied to the 1991 ADAAG standards.

23. Plaintiff has attempted to gain access to the Facility and Property in his capacity as a customer, but because of his disability has been denied access to, and has been denied the benefits of

services, programs and activities of the Facility and Property, and has otherwise been discriminated against and damaged by Defendants, because of the physical barriers, dangerous conditions and ADA violations set forth above, and expect to be discriminated against in the near future by Defendants because of Plaintiff's disabilities, unless and until Defendants are compelled to remove the unlawful barriers and conditions and comply with the ADA.

24. The removal of the physical barriers, dangerous conditions and ADA violations set forth herein is readily achievable and can be accomplished and carried out without much difficulty or expense. 42 U.S.C. §12182(b)(2)(A)(iv); 42 U.S.C. §12181(9); 28 C.F.R. §36.304.

25. Plaintiff is without adequate remedy at law, is suffering irreparable harm, and reasonably anticipates that he will continue to suffer irreparable harm unless and until Defendants are required to remove the physical barriers, dangerous conditions and ADA violations that exist at the Facility and Property, including those set forth herein. The relief requested serves the public interest and the benefit to Plaintiff and the public far outweighs any detriment to Defendant.

26. Plaintiff has been obligated to retain the undersigned counsel for the filing and prosecution of this action, and has agreed to pay the undersigned counsel reasonable attorney's fees, costs, and expenses from Defendants pursuant to 42 U.S.C. §§ 12205 and 12117, and Plaintiff is entitled to attorney's fees, costs, and expenses from Defendants.

27. Pursuant to 42 U.S.C. § 12188(a), this Court is provided authority to grant injunctive relief to Plaintiff, including an order to alter the subject Facility and Property to make it readily accessible to and useable by individuals with disabilities to the extent required by the ADA.

WHEREFORE, Plaintiff respectfully requests that this Court issue a permanent injunction enjoining Defendants from continuing their discriminatory practices, ordering Defendants to remove the physical barriers to access and alter the subject Facility to make it readily accessible to and useable by individuals with disabilities to the extent required by the ADA, and award Plaintiff his reasonable attorneys' fees, litigation expenses and costs.

Respectfully submitted this 15th day of June, 2016.
